8. Old Business:

- a. Airmen Career Day: Will occur after the new year...more to come. Chief Reynolds stated, A1C's typically will have a gap in any PME/career broadening from FTAC to ALS, average about five years. If we target A1Cs rather than NCOs for a career day, this would help focus them on CJR, retraining opportunities and career broadening, extracting certain curriculum from FTAC and NCOPE to create an intermediate level of education for our young airman. Perhaps this will help reduce the number of A1Cs getting into trouble. (OPEN)
- b. CMSgt Steffen and CMSgt Rodgeron have been working the Chief's Celebration dinner in January and are in dire need of assistance. Everyone must pitch in to make this a success.
